

## Love Circles Higher

G Am  
All my life it seems  
G  
I've waded through these dreams  
G Am  
and almost from the start  
G Am  
desires have ruled my heart  
G Am  
desires have ruled my heart

walking down a crowded street  
feeling all alone  
people pass hand in hand  
I want a love of my own  
a love of my own

I see you standing there  
and gaze into your eyes  
mirror of my soul  
the emptiness it dies  
the emptiness it dies

I feel your warmth next to me  
our hearts beat as one  
feel the coolness of your skin  
I know that I'm in love  
yes I am in love

Am G E E G  
Love.....love.....love.....

E G  
love circles higher  
E  
on the wings of an eagle has flown  
E G  
heart beats ever faster

E  
my how the senses have grown  
E G  
love ever higher

E  
new life of love I have found  
G  
but love that goes ever higher

C  
sooner or later comes down  
G  
down to reality

It seems so long ago  
faded in the past  
a moment of happiness

but love it does not last  
love does not last

summer flowers have given way  
to winters mournful cry  
two lovers walk away  
we never do know why  
we don't know why

a life of dreams that I can't recall  
a victim of the years  
the joyful cry of new love  
drowning in their tears  
drowning in their tears

I look to the hills beyond  
my hearts reminded of  
younger days in different ways  
when I was in love  
oh was I in love?

Refrain

I remember ages past  
struggling through the years  
often times we said goodbye  
many were the tears  
many were the tears

the river of life flows on by  
many years are done  
it feels so good just to know  
that we are still one  
we are still one

all the times I've given in  
overwhelmed with fear  
every time I turn around  
you are standing there  
you're standing there

through lonely days and darkened nights we  
would rise above  
in the midst of pain I've come to know that I was  
in love  
yes I am in love

Refrain

how young we must have been  
that we did not know  
it takes the pain and the years  
so that real love will grow  
yes real love will grow
