

He is Risen

G C
He is risen, I've been forgiven
G C
he lives again, oh praise the Lord
G C
my savior is living,
G D
living and loving me

G C
and I know that I am loved
G C
from the depths below to the stars above
G C
with another or all alone
G D
Jesus loves me

G C
like a newborn kicks up its' heels
G C
only a new life knows how it feels
G C
a dove flies, leaves the cage behind
G D
I've been set free

G C
he is risen, I've been forgiven
G C
he lives again, oh praise the Lord
G C
my savior is living,
G D
living and loving me

D G
oh my Lord
D G
the peace that you give
D G
your love fills my heart

C D
overwhelms my soul
C D
tears begin to flow
C D
what a joy to know
Am C G D
Lord you love me so.....

Refrain

a new morn the sun will rise
His glory will fill the skies
all sorrow will turn to joy
He loves you and me

what a wonder that day will bring
all the trees will shout
and the hills will sing
allelujah, oh praise the Lord
we've been set free
